

The Haseley Family Pages include 570 individuals buried at St Peter's Lutheran Cemetery, Walmore Rd. Sanborn, NY. Based on research done by Allen Walck Jr., there may be several different cemeteries. A small burial plot with unmarked graves is located behind the house across the street from the current cemetery, and another in a yet unknown location. There were 251 burials up to Aug 1914, with about 1/2 of them not marked. The list below includes individuals from the St Peter's Burial Record 1848-1886 which are not included in my online web pages and/or do not have a tombstone/marker* in the cemetery.
